________________________________________________________________________________

For returning mentors: Do you want to continue mentoring the same mentee, if he/she is available and also would like to continue this partnership?  □ Yes  □ No  □ No preference

Please suggest three names of mentees you would like to mentor. Note that Mizzou ADVANCE cannot guarantee that you will be matched with one of your suggested names.

1. ____________________________________________________________________________

2. ____________________________________________________________________________

3. ____________________________________________________________________________

Do you want to be matched with several mentees? In other words, would you like to mentor a small group of mentees rather than one individual?  □ Yes  □ No

Please indicate areas where you can provide guidance as a mentor:

□ Writing for publication
□ Developing and funding research
□ Getting resources to support professional development
□ Preparing teaching presentations
□ Handling evaluations of teaching
□ Learning contract renewal and tenure strategies
□ Working with senior faculty in the department
□ Working with the department chair
□ Balancing and using time effectively
